PROFESSIONAL EXPERIENCE

High School Mathematics Teacher *2024 – 2026*
Lawrence High School — Lawrence, MA

- Teach 9th grade Algebra I to a diverse urban student population, designing engaging lessons that build algebraic fluency and foundational problem-solving skills.
- Support English learners through SEI-aligned instructional strategies, scaffolding, and accessible academic language.
- Collaborate with grade-level and math department colleagues on curriculum alignment, common assessments, and instructional improvement.

High School Mathematics Teacher *2020 – 2024*
Pelham High School — Pelham, NH

- Delivered instruction across the full secondary mathematics sequence: Pre-Algebra, Algebra I, Algebra II, and Precalculus.
- Designed differentiated lessons and assessments to meet the needs of learners spanning multiple skill levels within a single department.
- Contributed to school community through club advising, coaching, and event support.

High School Mathematics Teacher *2019 – 2020*
Methuen High School — Methuen, MA

- Taught Geometry and Algebra II with a focus on conceptual understanding and real-world application.
- Implemented data-informed instructional adjustments based on formative assessment evidence.

Middle School Mathematics Teacher *2018 – 2019*
Henry J. Robinson Middle School — Lowell, MA

- Led 7th grade Math and Pre-Algebra sections, preparing students for the transition to high school mathematics.
- Built positive classroom culture with consistent routines and high expectations for every learner.

Mathematics Teacher — Long-Term Substitute & Summer Programs *2018*
Minuteman Regional Vocational Technical High School — Lexington, MA

- Long-term substitute for Trigonometry, Precalculus, and AP Calculus; maintained instructional continuity and pacing.
- Taught Remedial Pre-Algebra and Calculus through Minuteman Community Education summer program.

High School Mathematics Teacher (School-Year & Summer School) *2014 – 2017*
Alvirne High School, Hudson School District — Hudson, NH

- Taught Algebra I, Algebra II, and Geometry across the school year and summer sessions.
- Served as an active member of the school community, building strong relationships with students, families, and colleagues.

High School Mathematics Tutor — Match Corps *2013 – 2014*
Lawrence High School, Business Management & Finance Pathway — Lawrence, MA

- Provided daily small-group and one-on-one tutoring to support student achievement in mathematics as part of the Match Corps teaching fellowship.

LEADERSHIP & COMMUNITY INVOLVEMENT

- Chess Club Advisor — mentoring students in strategic thinking, focus, and good sportsmanship.
- Coached student athletics and served as club advisor across multiple school communities.
- DJ'd school events, dances, and community gatherings, contributing to vibrant school culture.
- Participated in school committees and collaborative teams focused on curriculum, student support, and school improvement.
- Active in community-based education and mentorship initiatives beyond the classroom.
